Active ingredients: Massages, margaritas on a sunny afternoon, sandy beaches, piano concertos, feather beds, bubble baths, kava kava, post-coital satisfaction.
Coloring: Pale sky blue.
Scent: Lavender
Inert ingredients: Waterfalls, 101 meditating monks, vacations, long naps, one genie who promises to give you anything you want so you never have to be tense again.

Chilling Out

TEA

Change **ARRGH**
To **AHHH** Now!

Directions: After taking a deep breath and releasing it, drink the liquid contained herein. As you drink, feel relaxation slip down your throat and imagine it permeating your whole body as if you've been zapped by a machine that changes matter into Jello®. Drink the liquid in this container as often as possible. The more you drink, the more you'll resemble a Labrador Retriever whose only concern is where to get another stick to chase.

For sudden stress, you may want to try throwing darts at pictures of people who annoy you, while drinking Chilling Out Tea.

This product should be kept away from children who may become way too lazy for their own good if they consume too much.

Active ingredients: standing ovations, broad shoulders, strong vocal chords, unflinching stares, steady hands, sureness, upright bearing, unlimited knowledge, genius IQ, Donald Trump.

Coloring: Purple

Scent: Aqua Velvet.

Inert ingredients: Achievement awards, champagne, balloons, banners, Peacock feathers, thumbs up, third grade teacher Mrs. Needingham's unending praise.

Know You Can Do
ANYTHING
You Want To Do Now!

Directions: With shoulders back and head held high, drink the liquid contained herein. As you drink, notice how your hands automatically want to form into fists. Indulge in a couple fist pumps, and say, with feeling, "Yeah!" If you want to grunt like Tim The Tool Man Taylor" while you drink, that's fine. Don't be alarmed if you find yourself strutting. Drink the liquid in this container as often as possible. The more you drink, the more powerful you will be.

For stubborn cases of lack of confidence, gather a group of Marines to yell "HOO RAH!" in your honor.

This product is intended for both adults and children who want to achieve success in anything they do.

FEELING GREAT

FIREWATER

Light Up NOW!

Directions: In an upright posture, with a smile on your face, drink the liquid herein. As you drink, imagine being lifted up by invisible, indestructible ropes. Do not be concerned if you start to giggle with glee. This is a common side-effect of Feeling Great Firewater. Be sure to combine Feeling Great Firewater with other Feeling Great actions like expecting the best and knowing you can have what you want. Drink the liquid in this container as often as possible. The more you drink, the more annoyingly perky you can become.

For super fast results, paint yourself yellow and grin constantly.

This product is intended for both adults and children who want to live happily ever after.

All Purpose

POWER UP
Punch

You Are A Powerful Being!
CREATE YOUR BEST
LIFE!

Directions: With focused intention (in other words, avoid all wimp-like posture and thinking), drink the water contained herein. As you drink, KNOW that the magic elixir of Power Up Punch is coursing through your veins like a raging river of rabid rats (don't be disgusted—these are good rats from Ratsafaria, where music and joy is heard all day long). Drink the water in this container as often as possible without being forced to reside in the bathroom. The more you drink Power Up Punch, the more powerful you will become.

For stubborn cases of not realizing your own power, feel free to add some chocolate flavoring.

This product is safe for children and will in fact make them bully-proof.

POP

Do The Abundance Dance!

Directions: With your thoughts firmly focused on total financial freedom, drink the liquid herein. As you drink, imagine lying on your back and squirming with glee on a bed of money (the paper kind, not coins—that might be painful). If you feel a sudden urge to go shopping, please keep it under control. Although Prosperity Pop is powerful, its effects may not be instantaneous, and premature shopping could negate its positive impact.

If, however, you feel like you could buy the world if you wanted, go ahead and bask in that feeling!

This product is intended for both adults and children who always want enough money for the best toys.

Active ingredients: Bullet-proof glass, shiny suits of armor, recording of the mother you wish you had murmuring, "It's going to be okay," teddy bears, security blankets, angel dust, Arnold Schwarzenegger.
Coloring: Angel white
Scent: Baby powder
Inert ingredients: One billion solved problems, sweet dreams, super hero capes, marshmallows.

Directions: While thinking only warm, fuzzy thoughts, close your eyes and drink the liquid herein. As you swallow, imagine a magic suit of armor appearing atop your skin. Don't worry—no one can see it; so you aren't in danger of being mistaken for a Knight and stuck in the dank corner of a castle. Drink the liquid in this container as often as possible. The more you drink, the more you'll find yourself forgetting what the word "fear" means.

In moments of extreme anxiety, thumb-sucking while drinking Superhero Assurance Juice is allowed.

This product is safe for children and in fact is more effective than pacifiers.
